We had multiple critical incidents over the past month and a half. Our call volume nearly doubled and is on the rise. We worked with multiple Local, State and County Agencies including the Coast Guard. I would like to thank Mendocino Fire(2 Engines, 1 Water tender, Air supply Unit) for mutual aid on the B rd fire, water rescue and a shared traffic collision on Highway 1. Also assisting with mutual aid on the B rd fire were Elk Fire(water tender), Fort Bragg Fire(engine and water tender), Comptche Fire(water tender), and CalFire(2 engines). Ukiah Valley Fire Authority and Mendocino County Sheriff's Office assisted in the investigation of the fire. I would especially like to thank Mendocino County Sheriff's Deputies who were present on multiple incidents over the past month.

See press releases below.

Covid-19

I continue to attend weekly briefings on the current situation. The Department's PPE supply is good. We continue to follow our pandemic protocols on all calls. We had a possible exposure scare this month. Turned out the patient was not ours. The county partners, (EMS, Hospital, and Law Enforcement) having been working on streamlining the notification process. We are treating all patients as possible positive cases and remain hyper vigilant.

Station 810

Firefighter Building Committee met for a second time to hear Assistant Chief Gates' proposal for Station 810. This is more of a phased approach. A couple of community members have offered volunteer services in design and site work. The committee agreed that a meeting with Director Welty and Diana Weideman is due.

Drive Trough BBQ

Due to Covid-19 restrictions the permitting for a drive through BBQ is not feasible with out pairing with a local restaurant.

Albion Ridge B rd Structure Fire

Incident Number: 2020-17072

Crime/Incident: 451 PC [Arson Investigation]

Coroner's Report

Location: 32900 Block of Albion Ridge Road, Albion CA

Date of Incident: 07/13/2020

Time: 9:47 PM

Victim(s): Unknown-Not Identified

Suspect(s): N/A

Written By: Lieutenant Shannon Barney

Synopsis: On 07/13/2020 around 9:47 PM Cal Fire Dispatch Center received a report of a fully involved structure fire in the 32900 Block on Albion Ridge Road, in Albion CA. Members of the Albion-Little River Fire Department responded to the scene but also requested mutual aid from Mendocino Fire, Fort Bragg Fire, and Cal Fire to assist with the blaze. The residence was fully consumed by the fire. Fire Officials contacted the Mendocino

County Sheriff's Office (MCSO) on the morning of 07/14/2020, as it took most of the night to put out the flames and cool hot spots in the fire. MCSO was advised that one of the residents of the home could not be accounted for, an adult male, and there was a concern that arson might have been the cause of the fire. MCSO requested mutual aid from Ukiah Valley Fire, requesting assistance from a trained fire investigator.

On 7/14/2020 the fire was still too hot to examine fully so the scene was held until 07/15/2020. Around 8:00 AM a team of fire officials and MCSO Investigators started the process of sorting through fire debris to determine if there might be a person who perished in the fire. Around 9:30 AM investigators located the remains of what appeared to be an adult in the fire debris. Due to the fire the decedent could not be identified nor could it readily be determined to be male or female. The remains were removed and will be scheduled for a complete autopsy by the Mendocino County Coroner's Office. The Mendocino County Coroner uses two primary methods to identify decedents; dental comparison and or DNA comparison. The cause of the decedent's death remains under investigation.

At this time the cause and origin of the fire remains under investigation.

Anyone with pertinent information, about this incident, is encouraged to call the MCSO tip line at (707)234-2100 or the WeTip line at (800) 782-7463.

Marc Lucas (50 year-old male from Point Arena, CA)

Written By:

Sergeant Ze Lima #1224

Synopsis:

On 07-17-2020 at approximately 10:10 PM, a Mendocino County Deputy Sheriff attempted to make a traffic stop on a Toyota Tacoma for an observed vehicle code violation in downtown Point Arena, California.

The driver, who was later identified as Marc Lucas, failed to yield to the Deputy's emergency lighting and siren and a vehicle pursuit was initiated. This pursuit spanned just over eight miles and was terminated when the Deputy lost sight of the vehicle in the area of Ten Mile Road and Iverson Drive.

Based on the positive identification of Lucas, who was known to be on active parole from the California Department of Corrections and Rehabilitation (CDCR) for Assault with a Deadly Weapon on a Peace Officer, Deputies sought and obtained an arrest warrant for the apprehension of Lucas for violation of 2800.2 CVC (Felony Evading) and 2800.4 CVC (Felony Evading – Wrong Way Driving).

Over the course of the next 12 days, Deputies searched numerous locations on the south coast for Lucas, without success. Based on the above information, a CDCR Parole Officer petitioned the Mendocino County Superior Court for a parole warrant, which was granted on 07-30-2020.

On 08-01-2020 at approximately 1:44 PM, Deputies and a California Highway Patrol Officer were actively looking for Lucas in the 29000 block of Albion Ridge Road, when he drove past them in his Toyota Tacoma.

Deputies were able to clearly see and identify Lucas and they attempted to stop him in his vehicle; however, Lucas again refused to stop. Deputies pursued Lucas for over two miles and he turned onto Albion Ridge "I" Road, where his vehicle came to a stop.

Lucas exited his vehicle and partially removed what he told Deputies was an SKS semi-automatic assault style rifle.

Deputies verbally instructed Lucas to drop the rifle and to surrender.

Lucas refused to cooperate and stood in the open door of his vehicle with his hand on the butt-stock of the rifle.

Lucas demanded Deputies leave him alone and threatened to shoot any Deputies that attempted to take him into custody.

Lucas told Deputies that he would use his vehicle to ram through the patrol vehicles that were at the location; he later intentionally crashed his vehicle into the front of a patrol vehicle that was blocking him, while Deputies and a CHP Officer were using the vehicle to shield them from any potential gun fire from Lucas.

A Sheriff's Deputy attempted to use K9 "Takoda" to apprehend Lucas. When Lucas observed the K9, he quickly entered his vehicle and repeatedly slammed the door closed, smashing the dog's head between the edge of the door and door jamb.

Lucas exited the vehicle and a Sheriff's Sergeant attempted to use a Taser device to incapacitate Lucas, without success.

Lucas then obtained a gasoline can from the back of his vehicle and poured gasoline over his body and the interior of the vehicle. Lucas threatened to "blow up" himself and Deputies near him.

Lucas then barricaded himself inside his vehicle and remained there until the arrival of the Mendocino County Multi-Agency Special Weapons and Tactics Team (SWAT).

The SWAT Citizen Rescue Vehicle (Armored) was positioned near Lucas' vehicle and several hours of attempted de-escalation and negotiations were met with no cooperation from Lucas.

At around 7:50 PM, SWAT members executed a plan that was developed to use a fire hose to introduce water into Lucas' vehicle to reduce the risk of any fire or explosion with the ultimate goal of minimizing any potential injuries to Lucas or SWAT members.

The Albion Little-River Volunteer Fire Department agreed to assist SWAT members by parking a fire engine a safe distance away and running the pump.

SWAT members deployed a fire hose to the side of Lucas' vehicle and began flushing the gasoline out of the vehicle.

After approximately 15 seconds of introducing water into the cab of the vehicle, Lucas exited the vehicle and Mendocino County Sheriff's SWAT K9 "Bo" was deployed and took control of Lucas. SWAT members quickly overpowered Lucas by tackling him to the ground and placed him under arrest without further incident.

Lucas was provided first aid from the SWAT Paramedic at the scene and he was transported to a local hospital for a medical clearance.

The firearm that Lucas brandished and claimed was an SKS semi-automatic assault type rifle was determined to be an air powered pellet rifle.

Lucas was booked into the Mendocino County Jail for the following offenses:

2800.2 CVC (Felony Evading)

2800.4 CVC (Felony Evading - Wrong Way Driving)
69 PC (Resisting Arrest with Force or Threat of Violence)
245(c) PC (Assault with a Deadly Weapon on a Peace Officer)
3000.08 PC (State Parole Warrant)
2800.2 CVC (Felony Warrant for Felony Evading)
2800.4 CVC (Felony Warrant for Felony Evading - Wrong Way
Driving)

Due to Lucas' parole status, he is being held at the Mendocino County Jail without bail.

A charge of 600 PC (Interference with Police Dog) is being submitted to the Mendocino County District Attorney's Office for consideration of prosecution.

The Mendocino County Sheriff's Office would like to thank the residents of Albion Ridge for their cooperation and support during this seven hour incident.

The Sheriff's Office would also like to thank our public safety partners from the following agencies that assisted in the safe resolution of this incident:

Facilities Report

We have been mostly in a holding pattern with very few requests for input from businesses or the County being answered in a timely way. Crane has not reported on the costs of the two doors I requested. Ritteman has yet to give us a date and all serious planning depends on his report on our options, if any, for a drain field. The County has yet to respond on the plan submitted for 812 and Calfire has a new pre-application approval sign-off requirement as well. This freezes moving forward on the new 810 and the 812 remodel.

810 remodel is still ongoing but delays abound, presently a problem with the lock and door swing to the office. .

Wendy is looking into the Purdue settlement, the application for which arrived after the due date without any information about it.
